Sub. : Appreciation of after sales services.

Dear Sir,

We appreciate the service given by Mr. Pradeep Rai for the problem we faced in
Schneider PLC & HMI.

We are using TSX3710101, PLC & XBTGT2110, HMI.

Valuable technical information was also conveyed to us regarding the PLC.

We expect the same level of service and cooperation from Schneider Electric,
Pune in future.

Regards,

V. Biradar
