Sub. : Appreciation of after sales services.

Dear Sir,

We are using Schneider make ACBs and VFDs in our plant located in Ranjangaon industrial area in Pune.

We are pleased to inform that we received nice after sales service from Schneider Electric, Pune during breakdown as well as installations.

Valuable technical information regarding application of VFD and operation of ACBs was provided to us by Schneider service team.

We expect the same level of service and cooperation from Schneider Electric in future.

Regards,

Avinash Mawale.
